**LynnDee's K9 Club Socialization Training**  
N. 2704 Colville Road  
Spokane, WA 99224  
(509)838-0596

Dear Dog Owner,

Thank you for your recent inquiry about dog socialization training. LynnDee's is committed to providing a safe, fun and stimulating social environment for your dog during weekday business hours. During the socialization training, your dog will not be crated except timeouts if needed. Your dog will enjoy supervised playtime with other dogs and our staff/family members. We love to spend a lot of time outdoors weather permitting.

We are not a dog daycare. We have small groups of dogs so that we can develop better social skills and manners. After our initial assessment, it may be determined that your dog may need more time to develop appropriate social skills. Your dog may need 1:1 with another dog at first, then add more dogs slowly to build your dog's trust and confidence.

Enclosed, you will find information and forms you need to register your dog for our services. Simply fill out the enclosed forms and return them to LynnDee's Grooming & Dog Training Center, N. 2704 Colville Road, Spokane, WA 99224 along with the registration packet please enclose a print out of your dog's vaccination record to include their annual and rabies vaccinations, bordatella vaccination and a current negative fecal result. Once we receive your enrollment form and health information, we will screen your paperwork and call to schedule a time when we can meet your dog for an introductory assessment.

If you have any questions, please feel free to contact us at (509) 838-0596. We look forward to meeting you and your dog.

*Debbie Wing*  
Owner & Social Director

## LynnDee's K9 Club Dog Daycare

### General Information & Policies

The purpose of LynnDee's Socialization Training is to provide a safe, fun and stimulating environment for dogs during weekly business hours. To ensure the safety and health of your dog and our other guests, we require all dogs to comply with the following rules and regulations:

- **Gender:** All dogs over 7 months must be spayed or neutered. For clients that have show dogs and want their dogs in socialization training we can provide socialization with a select group of dogs.
- **Vaccinations:** All dogs must be up-to-date on their vaccinations. Owners must submit written proof of their annual vaccinations, rabies and the Bordetella vaccine. Rabies is required for puppies over 4 months of age.
- **Health:** All dogs must be in good health. Owners will verify their dog(s) are in good health and have not been ill with a communicable condition in the last 30 days. Dogs that have been ill with a communicable condition in the last 30 days will require written veterinarian verification of health to be admitted or readmitted.
- **Behavior:** All dogs must be non-aggressive and not toy protective. Owners will verify their dogs have not harmed or shown aggressive or threatening behavior towards any person or any other dogs. Please remember: your dog will be spending most part of the day with other dogs and the safety and health of all dogs is our main concern. If your dog ever bites someone that requires medical attention, Washington State requires all doctors to report this to the health dept, and all dogs involved will be quarantined for a 10 day period. This will then be evaluated to see if your dog can continue in the socialization training program depending on the situation.
- **Dog with some reactive issues:** Your dog may be required to go thru a temperament evaluation so that we are able to best assess your dog's ability to attend socialization training. It may be required that you train with our behavioral instructor for weekly sessions in order for your dog to attend socialization training.
- **Application:** All dogs must have a complete, up-to-date and approved application on file.
- **Fees:** Fees are based on a pass plan. **Passes are non-refundable**

<b>Trial/Assessment</b>	<b>\$18.00</b> for half day trial period
<b>Half Day Visit</b>	<b>\$15.00</b> for up to 4 hours for morning or afternoon session ( there are no ½ passes)
